

2nd International Conference Advances and Innovations in Biotechnology for Sustainable Bioresources and Bioeconomy (AI-BSBB2023)

CONFERENCE FIRST CIRCULAR

22-25 November, 2023 | Satna, (MP) 485001 INDIA

AI-BSBB2023, an international conference focusing on recent developments on the frontier areas of Biotechnology, will bring together scientists, engineers and other experts from across the world to deliberate on global developments in the fields of Industrial Biotechnology, Medical Biotechnology, Environmental Biotechnology and Food & Agriculture Biotechnology.

It is planned as a major event to be held at Satna (Madhya Pradesh), India during November 22-25, 2023 with the participation of a large number of active researchers from all over the world.

This conference will provide the premier multi disciplinary forum for researchers, practitioners and scientists to present and discuss the most recent innovations, trends and practical challenges associated with biotechnology

Awards

- Dr RPS Dhakrey Memorial Young Biotechnology Researcher Award-2023
- CEES Research Excellence Award
- Young Researchers Rapid Oral Presentation & Poster Presentation Award in each Thematic Session

Major Highlights

- Important scientific sessions on Biotechnology for sustainable bioeconomy and bioresources
- >120 International and National Invited Speakers (Mostly Top 2% Scientist of Scopus Ranking)
- Conference workshops | Expert meet with the research scholars and students | Bioentrepreneur Meet | Startup Exhibition
- International scientific networking opportunities
- Delegates & Participants from >25 Countries

Important Dates

01 JUNE 2023	Contributory Abstract Submission Starts
31 AUG. 2023	Contributory Abstract Submission Ends
10 SEPT. 2023	Acceptance Notification
30 SEPT. 2023	Registration Close at Normal Rate
25 OCT. 2023	Registration Close with Late Fee
31 OCT. 2023	Registration Cancellation Closes

Thematic Areas

- EB - Energy Biosciences
- EBCC - Environment Biotechnology and Climate Change
- MB - Microbiome
- IMB - Industrial Microbiology and Biotechnology
- FAB - Food and Agricultural Biotechnology
- BCB - Bioinformatics and Computational Biology
- MPB - Medical and Pharmaceutical Biotechnology
- NT - Nanobiotechnology

CONFERENCE CHAIR

Prof. Ashok Pandey
CSIR-IITR,
Lucknow, India

Prof. Samir Khanal
General Secretary - IBA
University of Hawaii, Honolulu, USA

Prof. Mohammad Taherzadeh
University of Borås, Borås
Sweden

INTERNATIONAL CHAIRS

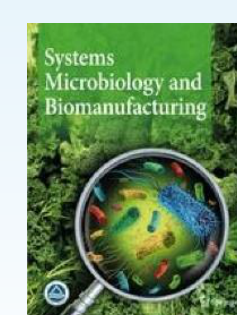

Submissions for papers presented in AIBSBB-2023 will be open for all the journals listed below:

Bioresource Technology
(Elsevier)
IF : 11.88

Bioresource
Technology Reports
(Elsevier)
Cite Score : 6.3

System MicroB & BioM
(Springer Nature)
H-index : 9

Indian Journal of
Experimental Biology
(NISCAIR)

Journal of Innovation
in Applied Research
(AKS University)

Contact Conference Secretariat
